

Blue Notes

August 19, 2021

Note from the Principal

If there is anything the last year taught us, it's that we need to be flexible! I want to thank you for your patience yesterday. We are so grateful to return to school today! Please enjoy our pictures on Facebook and Instagram and tag us in photos if you have them. :-)
At St. John, we RISE to the Stars!

Principal Santellano

Water Bottles

Parents and family members, please send a water bottle with your student every day, marked with their name on it. Only certain parts of the building are air conditioned, and it can get warm on these summer days. Due to COVID restrictions, we only use our bottle fillers and not the mouth spouts at the water fountains. Official St. John water bottles are available in the office for \$2 each.

Gym Tomorrow

Tomorrow, Friday, will be the first day of gym! Mr. McCottrell is pumped to see his each class. Please send your student in the blue gym shorts and yellow tee shirts. Socks should be white or black, and any gym shoe is allowed.

Thank You, Rosemoor!

Mr. McClellan and Mrs. Santellano had a great time at the Rosemoor Community Association Garden Walk and Block Party on Saturday. Thank you for inviting us for the fun and food. We love being a part of this community. Special Shout Outs to 8th Grader Kiyilee Hardimon, Food Service Manager Mrs. Lyles, Parish Secretary Angie Ware, and recent Alum Madison Walker for their help and hard work.
