PowerSchool and Grades

Thank you to all of the parents who made time to meet with your children's teachers about Progress Reports on Friday. If you missed your conference or would like a follow up, please contact your child's homeroom teacher directly. Report Cards will come home around Thanksgiving. If you would like to check your child's grade at any time in grades 1-8, please use PowerSchool. Please contact me if you need your login information again (we gave this out at Back to School Night). Grades are not the be all, end all. We need to ensure our students are mastering the content being taught. Thank you for your help at home.
