

# Blue Notes

February 16, 2022

## 5Essentials

Parents, please click <http://survey.5-essentials.org/archchicago/survey/parent/> and complete the 5 Essentials survey for our school. We do this every year, and the information goes to the Archdiocese. Send a screenshot of your completion to Mrs. Santellano for 1 Service Hour. Students in grades 4-8 will also take the survey with their homeroom teachers this month. If you do NOT permit your child to be surveyed, please call Mrs. Wills. Thanks in advance!

-Mrs. Santellano

## Candy Sale

World's Finest Chocolate Bar boxes are now available in the office (our winter fundraiser). Parents who sell will get \$15 taken off your Fundraising Fee for each box. Prizes will be awarded to the biggest sellers, too! Secret Word: Champion. Help keep costs down and support our school. Contact Mrs. Wills with questions.

## 2/22/22

It's a once in a lifetime date! Celebrate with us on "TWO"DAY Tuesday 2/22/22 and join in some fun! Students can wear Ties or Tutus with their regular school uniform, or 2 different socks/shoes. How many math games and activities can we plan for the number 2? You'll have "two" come "two" school "two" see!

## Congrats, Mrs. Lyles!

We are so excited that Mrs. Lyles has been chosen as the African American Lay Leadership Award Winner for the Archdiocese of Chicago! She will be given her award next Friday, 2/25 at the African American Heritage Prayer service at St. Rita High School. All of our 7/8th graders will attend to represent our school.

Need Service Hours? Donate DRY ERASE MARKERS, TISSUES, or PAPER TOWELS to the Main Office. Mrs. Wills will credit your account.

### BIO: Monisha Johnson

I am a Licensed Clinical social worker, who received my education from Loyola University Chicago. I graduated with honors and received my master's degree in mental health with a specialty in interprofessional practice with at risk youth. Since graduating I have worked with both adults and youth, within various populations. My passion is serving individuals in underserved communities, who have in the past or are currently experiencing depression, anxiety, life transitions, trauma, chronic stress, community violence, grief, and parenting issues. I am thankful for the opportunity to work with students at St. John de la Salle. I pour into each and every student I meet with as if they were my own. I will continue with this commitment and I am thankful for each parent and caregiver that has trusted me enough to allow me the opportunity to work with their child.
