September 1, 2021

## Car Line Procedures

Please review these procedures for the safety of all our children and to keep traffic flowing smoothly during drop-off and dismissal.  
Thank you!

## A Note from the Principal

Thank you, parents, for being so flexible with our first Early Dismissal Teacher development day today! Some reminders for Car Line:

- Drop Off: Please pull forward all the way down on Vernon. If you stop at the Main Door, you can hold up cars behind you and they are not able to pull onto Vernon.
- Pick Up: Please pay attention to the movement of the car line. We try to fill 5-6 cars at a time by keeping the line all the way up on Vernon.

-Mrs. Santellano

## Free Hot Spots

If any families are in need of a hot spot for home internet usage (homework or otherwise) please contact the Main Office. Our partners at Big Shoulders Fund have hot spots available for families in need.

## Vaccination Truck

If you are planning to come to the Vaccination truck (or any member of your family) on Friday, Sept. 10, we need you to make an appointment with Mrs. Wills by Tuesday, Sept. 7th. If we do not have a minimum number of appointments, we will have to cancel the truck. Help us spread the word!

## Taffy Apple Sales

Our annual Taffy Apple Sale is up and our first order is due (with \$) on the 24th. Apples will be delivered on the 28th and must be picked up immediately because we do not have enough storage. \$5 in Fundraising fee will be credited per box. Please contact Mrs. Wills with any questions.
