## Farewells to Father

Today after our Student of the Month Mass, we celebrated Father Kiiguta with a little reading and some gifts from our students. As the parish merges this summer, Father will be moving on to a new role as a Hospital Chaplain. We thank Father Kiiguta for his tireless support of St. John, our students, staff, and families- for his inspirational homilies at Mass, talking to the classes about Sacraments and Math, and also for the fun community gatherings (like Taste of St. John). Father, please stay in touch. We will miss seeing you as often as we do now. Please know how blessed we are to have had you here for these 11 years!

### 8th Grade Feature: Kiyilee Hardimon

Kiyilee has been at St. John de la Salle the longest out of anyone in her class, starting here in PreK. She comes from a family of St. John alumni and staff! The staff member who has had the most profound impact on her life here is Mrs. Wills and she will miss her the most. She says her class really came together this year when it was time to do a presentation. Kiyilee is headed to Thornridge HS next year. Join us in congratulating Kiyilee!

### 8th Grade Feature: Lauren Kline

Lauren has been a St. John Wolverine since the 5th grade. The lessons she has learned here include, "Think before you do something, be more considerate about people's feelings, and St. John also gave me a reality check". She says she will miss these things the most: "My class, My fav teachers, and laughing with my class". Lauren is headed to Butler College Prep next year. Join us in wishing her the best!
