A week from today, February 21st, our Black History Month Program, entitled "Notable African-American Accomplishments in STREAM" (Science, Technology, Religion, Entertainment, Arts, and Math) will be held at 3 p.m. in the Hall of Heroes. We thank Ms. Lynn Turner, SJDS teacher and alumna, for taking on the committee and program planning.

Doors will open to parents and families at 2:45 p.m. and dismissal will not take place until after the program. The Superintendent of the Archdiocese of Chicago, Dr. Jim Rigg, will also be in attendance. Please make plans to join us! Each class is preparing something special to share with you!
