Catholic Schools Week Fun

We appreciate everyone's patience with the Dress Down Days and other fun activities during Catholic Schools Week last week. Our Open House Raffle winner was parent/teacher Lynn Turner, our Tax Credit Raffle winner was Mr. Willie Watkins (they both won gift cards to local fast food). We want to thank our Career Day Guest Speakers: Jonathan Hudson, Crystal Marshall, Cleopatra Agee, Dr. Hodges, Dr. Dudzinski, Dominique Thomas, and Tina Howard. Thank you for giving your time to share your gifts and inspiration with our students! We also want to thank Ms. Deener for coordinating the delicious teacher luncheon so that all of the teachers could break bread together (which they never get to do). Secret Words: Jamaican Jerk. So many parents came to assist with the classes: Mrs. Lauryn Tyler, Mr. Damien McCottrell, Ms. Myra Crossley, Ms. Whitney Henry, and other helpers: Ms. Pat Hambrick and Ms. Debra Lowry. The pictures below show fun ranging from Arch building in Ms. Hull's class, 100th Day fun, Awards Ceremony to Career Day! We already have more students registered for fall than previous years at this time- a testament to the awesome things going on here! Thank you for being a part of this SJDLs Family.

The family registration fee is now \$150. It will increase to \$200 on June 1. Hope you'll join us next year, too! Catholic Schools: Learn, Serve, Lead, Succeed! - Principal Santellano
