PRINCIPAL'S RIGHT TO AMEND PARENT HANDBOOK

Statements in this handbook are subject to amendment with or without notice. The school principal will attempt to keep the school families informed of all changes as soon as practical. Some changes might have to be made immediately due to unforeseen circumstances. However, please do not hesitate to contact school staff if you need further clarification or require additional information pertaining to any policies or procedures outlined in this handbook.

MISSION STATEMENT

SCHOOL PHILOSOPHY

St. John de la Salle is committed to fostering a faith community based on the Gospel message, and Catholic beliefs, traditions, and values.

Our primary purpose is to prepare our children to meet the challenges of an ever-changing society. We strive to create an environment that respects the dignity of all members of our school community. We are dedicated to providing an educational experience that focuses on the whole child, and we believe that parents are the primary educators.

Together, we will help every child achieve their maximum potential in spiritual, intellectual, social, artistic, and physical development.

OFFICE HOURS

Regular school office hours of operation are from 7:30 a.m. until 3:30 p.m. Please do not hesitate to contact the office if you need service beyond normal business hours. All communications should be clearly identified with the student's name and grade. This will help ensure that we provide the best possible service for you and your student.

STUDENT PICK UP/ DROP OFF

From 6:30-7:30 a.m. students are to be dropped off at the King Side door and checked into Before Care.

The Breakfast Program begins at 7:30 a.m. Students arriving between 7:30 and 8 will be supervised by assigned teachers in the Hall of Heroes. Morning Assembly takes place promptly at 8 a.m.

Students are supervised for their own safety and the safety of others at lunch, recess, and dismissal until 3 p.m.

At dismissal, students are released in two groups: those in Prek/K with Siblings via the King HOH exit, and those in grades 1-8 using a Carline System on Vernon, calling students by families. Students in After-Care will be escorted to the Hall of Heroes.

Students NOT picked up by 3:15 p.m. will be enrolled in the After School Care Program. Please use the Hall of Heroes entrance to pick students up from After Care. Ring the bell and a staff member will have you sign out your student at the door, parents may not come downstairs. FAMILIES SHOULD HAVE AFTERSCHOOL PLANS ARRANGED BEFORE THE CHILD IS DROPPED OFF. STUDENTS WILL NOT CALL HOME FOR RIDES. STUDENTS WILL BE SENT TO AFTERCARE.

Parents will be charged the daily After School Care rate if their child is sent to the After School Care Program. (See sheet at end of Handbook)

All After School Care students should be picked up between 3:15 p.m. and 6:00 p.m. For any late pickup, a charge at the rate of \$1 per minute will be added to your bill. The charge applies to any student who is picked up late. Three late pickups may result in the exclusion from the After School Care Program.

BEFORE / AFTER SCHOOL CARE

The extended care program is designed to provide a safe and fun environment for children grades Pre-K – 8th either before or after school. This program will provide a light snack, homework time, and activities.

PAYMENTS:

The extended care service fees are to be paid in the first week of the following month (or the first school day of the month) in the main office. Payments are to be paid in a timely fashion. A receipt will be issued for every payment. *Delinquent payments may result in student exclusion from ASC. The late pickup fee is \$1.00 per minute after 6:00 p.m. Three (3) late pickups can result in the exclusion from ASC.*

Only authorized person(s) may pick up your child from extended care.

WEATHER INFORMATION

If severe weather results in the closing of the school, parents/guardians will be notified through the School Messenger or Robo Call telephone notification system.

On days of extremely cold weather, parents should be the final judge as to whether or not the child should come to school based on their own determination.

Students are not sent home during a tornado warning. If the weather report indicates tornadoes in the vicinity, students will not be dismissed until the warning has been canceled.

During the winter, students should come to school warmly dressed as they go out for recess unless the weather is severe or the temperature is below 20 degrees Fahrenheit.

Boots may not be worn in school during the day. Students should bring other shoes to wear in school.

COMMUNICATION

Telephone Notification System (School Messenger)

St. John de la Salle Catholic Academy uses a telephone broadcast system that enables school personnel to notify parents/guardians by phone of emergencies or events that cause early dismissal or school cancellation. The service will also be used to communicate important announcements or reminders.

ABSENCE AND TARDINESS

Attendance at St. John de la Salle Catholic Academy is mandatory. Students must attend on days when school is in session. Parents/Guardians of students who will be absent from school are asked to call the school office before 8:15 a.m. to report the absence. This should be done each day the students will be absent. This assures the school office that the students are safe. If no call is received, the office will call home to assure the child is safe.

"Valid cause" for absence shall be illness, including the mental or behavioral health of the student, observance of a religious holiday, death in the immediate family, or family emergency and shall include such other situations beyond the control of the student, as determined by the board of education in each district, or such other circumstances which cause reasonable concern to the parent for the mental, emotional, or physical health or safety of the student.

Identifying the causes of unexcused student absenteeism, which shall, at a minimum, include interviews with the student, his or her parent or guardian, and any school officials who may have information about the reasons for the student's attendance problem.

Supportive services will be made available to truant or chronically truant students. This includes, but need not be limited to, parent conferences, student counseling, family counseling, and information about existing community services that are available to truant and chronically truant students and relevant to their needs.

Students who arrive late must be signed in by their parent in the main office. To replace the instruction time lost, they will make up the time after school that afternoon, and parents will be billed \$5 in FACTS. Tardiness interferes with a student's progress and is a disturbance to the teacher and other students. Student instruction begins at 8:00 a.m. A student is considered tardy if he/she is not in their assigned place at 8:00 a.m.. If students are late more than 10 times in a given quarter, the parent will need to meet with the teacher and principal to discuss the effects of being late in the classroom. Students can be excluded from after school activities with more than ten tardies and no improvement in getting to school on time. Students with excessive tardiness cannot be considered for Honor Roll.

EARLY DISMISSAL

Students may be dismissed early from school with a written request from the parent/guardian. This request should clearly indicate whether the student is to be picked up by the parent/guardian or another authorized adult. Dismissal before 2:00 will be counted as a half day absent.

The parent/guardian or the adult authorized by the parent must come to the school office, and sign the student out. Students may not be dismissed to anyone not authorized by the parent/guardian.

Early dismissals are disruptive to the learning environment. They should only be used in special circumstances. Repeated early dismissals will result in a meeting between the parent and the principal/assistant principal.

HEALTH POLICIES

IMMUNIZATIONS AND PHYSICALS

No child will be considered registered until proof of immunizations and a physical are current and on file. All children in Illinois shall present proof of 1) a health examination within the current year; 2) of being up to date on all required immunizations as follows: immediately prior to or upon entrance into any public, private or parochial preschool or transferring from outside of the State of Illinois; prior to entering preschool, kindergarten or the first grade; upon entering sixth and ninth grades.

For more information about required immunizations:

<http://www.dph.illinois.gov/topics-services/prevention-wellness/immunization>

DENTAL EXAMINATIONS

All children in kindergarten, Grade 2, and Grade 6 shall have a dental examination by a licensed dentist.

Parents/Guardians are to be reminded of this requirement 60 days before May 15 of each school year.

Parents/Guardians seeking an exemption to this requirement must submit the Dental Examination Waiver Form, provided by the State of Illinois Department of Public Health, to the school administrator.

If a student in Grade 2 or Grade 6 fails to present proof of a dental exam by May 15, the school may hold the child's report card until the student presents proof of the School Dental Examination or a Dental Examination form. School dental examinations must have been completed within the 18 months prior to May 15 of each school year.

VISION EXAMINATIONS

All children (**except preschool students**) enrolling in public, private or parochial schools for the first time or entering kindergarten shall have an eye exam. **Parents/Guardians are to be notified of this requirement at registration.** Proof by a physician licensed to practice medicine in all its branches or a licensed optometrist is to be submitted to the school. End of the year report cards may be held if the student is not in compliance with this regulation. This requirement may be waived for those families who show an undue burden or a lack of access to a physician licensed to practice medicine or to a licensed optometrist.

Medical files will be reviewed at the school. Parents will be notified of any discrepancies in the immunization or physical exams based upon the state requirements. Parents are responsible for rectifying the discrepancies with the doctor to abide by state law. Students without current health requirements will be excluded on October 15.

CARE IN SCHOOL

First aid for minor cuts and bruises is administered at school. In the event of a more serious or questionable injury, parents/guardians are notified. If deemed necessary, the Chicago Fire Department ambulance is called. If the parent/guardian cannot be located, school personnel will accompany the student to the hospital. Children who have been seriously ill should present a doctor's permission to return to school. During illness, school materials are not sent home if the child has a communicable illness.

Children who are sent home from school with a fever should remain at home and be fever free for 24 hours without medication before returning to school.

Medicine Administered at School:

The administration of medication to students during regular school hours and during school-related activities is discouraged unless necessary for the critical health and well-being of the student.

No medication may be administered in school unless both the student's physician and parent/guardian have completed, signed and returned the Medication Authorization Form. Changes/Adjustments to the medication will be made only with the written authorization of the physician. Medication must be brought to school in the original container appropriately labeled by the pharmacy and physician. The dosage and discontinuation date should also be included. The school will provide a locked space for safe storage of the medication which is accessible to authorized personnel only.

Students that require the immediate use of medication i.e. **asthma inhalers or EpiPens** are permitted to carry medication and to self-administer that medication without supervision by school personnel. The school needs to have on file that student's current and completed Medication Authorization Form. Public Act 97-0361 allows schools to voluntarily maintain a supply of emergency epinephrine auto-injectors (EpiPens) for students who have forgotten their EpiPen at home or who do not have a known allergy. It is crucial that children with life-threatening allergies have immediate access to emergency epinephrine when anaphylaxis occurs. It can save a child's life by opening his or her airways until emergency personnel arrive. The supply of emergency epinephrine allowed under this Act is not intended to replace epinephrine prescribed to students with known allergies. A school nurse may administer an EpiPen to any student that he or she, in good faith, professionally believes is having an anaphylactic reaction and who does not have an Emergency Action Plan in place. Public Act 97-0361, a school district or non-public school, and its employees or agents are to incur no liability for the administration of an EpiPen, provided the school nurse acted in good faith when administering the EpiPen. Parents who have children with severe allergies are encouraged and reminded to work with the school and put in place an Emergency Action Plan in place.

DIABETES CARE

In order to serve our students with diabetes, St. John de la Salle Catholic Academy follows the Care of Students with Diabetes Act:

Diabetes care plan is required (with physician's orders).

Glucometer readings shall be recorded using a standardized format provided by the State Board of Education. A delegated care aide agrees to receive training in diabetes care and to assist students in implementing their diabetes care plan and is not liable for civil or other damages as a result of conduct, other than willful or wanton misconduct related to the care of a diabetic student.

Delegated care aides are to be trained to:

Check blood glucose and record results

Recognize and respond to the symptoms of hypoglycemia and hyperglycemia

Estimate the number of carbohydrates in snack and lunch.

Administer insulin according to the student's diabetes care plan and record the amount administered

Respond in an emergency

If an extra dose of insulin is required while the child is under the care of the care aide, the care aide shall consult the nurse, parent, or physician.

In schools where diabetes students attend, all staff shall be trained in the basics of diabetes care:

How to identify when the student needs immediate or emergency medical attention, Who to contact in case of emergency

Management of school-sponsored activities: An information sheet shall be provided to the school employee who transports the student that includes:

Identification of the student with diabetes
Potential emergencies that may result from diabetes and appropriate responses to the emergencies. Emergency contact information
Student self care – student may manage his/her own diabetes care:
In the classroom
At any school related activity
May keep all items in his/her possession to care for diabetes including glucagon, food, and drinks.

AGE REQUIREMENTS

Children must be 3 years of age on or before September 1 of the current school year with no exceptions. Under no circumstances may children younger than 3 years of age be accepted into a preschool program. Schools may not accept children as they turn 3 years of age during the school year if the child was not 3 years old by the September 1 deadline.

Children must be 4 years of age on or before September 1 of the current school year. Children who turn 4 years of age after the September 1 deadline may be accepted into the preschool with the understanding that the child will remain in the program until they are age-eligible for kindergarten.

KINDERGARTEN AND FIRST GRADE

Kindergarten students must be 5 years of age on or before September 1 of the current school year. For exemptions to this policy, see Early Entrance to Kindergarten Procedures below.

First grade students, who will be 6 years old on or before December 31, based upon the school's assessment of the child's readiness, may begin first grade in the fall under certain conditions. (105ILCS5/10-20.12)

SCHOOLWIDE EXPECTATIONS

St. John de la Salle Catholic Academy teachers and students practice a system of behavior management where staff teaches clear expectations for appropriate behavior. It is a proactive system for teaching appropriate behavior as it is a preventative system for addressing inappropriate behavior before it becomes problematic. It also supports correction intervention of inappropriate behavior in a nonjudgmental manner. The ownership of appropriate or inappropriate behavior is on the student. The student chooses his/her behavior and then chooses the consequences that go along with his/her choice. This restorative practice is beneficial in helping students understand how their behavior affects more than themselves now and how they can fix their behavior for their future decisions. Behavioral interventions become a learning tool.

Expectations:

Each classroom will go over the behavior expectations in each area of the school. School wide behavior involving the next three expectations is expected from students at all times. Lessons in expectations and building school community will take place during the Morning Assemblies each day: R- Respect God in all things. I- Improve, Every Minute Matters, S- Serve God by Serving Others, E- Excel on purpose.

Together We RISE: Student(s) of the Month

At the end of each month, each room will be asked to pick a student or students who represent our Together We RISE theme words: Respect, Improve, Serve, Excel. Students will be celebrated at the Student of the Month Mass. The Principal will call parents ahead of time so that they can celebrate.

Discipline Referral Form

The Discipline Referral Form will be used by staff after three restorative practices have been attempted. The student will then come to the office, and engage in conversation about behavior and appropriate next steps, supervised by the principal. Depending on the severity of the behavior, restorative steps may be skipped if the safety of the students is at risk. The principal will make the final determination of consequences ranging from silent lunch to detention.

NOTE: Students who do not serve their assigned detentions will have an In-School Suspension the following day. Written and dated medical appointments will be the only opportunity for a rescheduled detention.

STUDENT EXPECTATIONS

The students at St. John de la Salle Catholic Academy are expected to be excellent in their respective ways. Why? Because they can! In order to help all students reach their potential, each student is expected to adhere to the following general guidelines:

Attend school and arrive on time. Students are considered tardy after 8:00 a.m. (See Tardy policy) When absent, students must have a note from their parent/guardian or doctor upon their return. Please check with your child(ren)'s teacher about any missed work. Also please see the school policy regarding extended absences.

Students must respect all faculty, staff, other students, property and visitors of St. John de la Salle Catholic Academy.

Students must be in proper uniform. This includes wearing the proper gym uniform on gym days (W/F). Parents will be notified in advance of non-uniform days via the Blue Notes newsletter.

We are a faith-based school! Therefore, students are encouraged and asked to participate in enriching religious experiences: prayer, Mass, Scripture readings, etc.

Students are expected to complete all assignments (classwork, homework, projects, etc.) neatly, thoroughly, and promptly.

Students are not allowed to use cell phones and other personal electronic devices (ex. iPods, handheld gaming devices, mP3 players, etc.) during the instructional day. This includes during field trips. In the circumstance of a cell phone, St. John de la Salle Catholic Academy recognizes the safety value the cell phone adds when a student is away from home or a parent. Cell phones may not be carried on the student and must be stored in his/her locker. St. John de la Salle Catholic Academy is not responsible for any lost, damaged or stolen cell phones. If seen in class, a staff member may confiscate the phone. The phone will be turned into the office, which will hold the phone until a parent comes to pick the phone up from the principal. **Parents, please make drop-off and pick-up arrangements for your child(ren) prior to the school day. Students will not be allowed to use the school phone to make such arrangements.**

Bullying (verbal, electronic, or physical), fighting, vandalism, destruction of property and overt disrespect of St. John de la Salle Catholic Academy faculty/staff and other students will result in administrative disciplinary action, which can include suspension or expulsion. All students deserve the right to feel safe. Please refer to appendix for more resources.

All students are expected to share their talents, enhance their gifts and do their absolute best!

UNIFORMS

When you look your best, you feel your best, you do your best. Help us to help our students do exactly that! See Uniform document at the end of this handbook for more details. *Boys may NOT wear earrings or chains. No "colored" hair for boys or girls. No acrylic nails, or fancy nail designs are permitted. No purses or excessive jewelry should be worn. Make up is not permitted.* **Students who violate the uniform policy after warnings will serve Uniform Detentions after school.**

SEARCHES CONDUCTED BY SCHOOL PERSONNEL

All property of the school, including student desks and lockers, as well as contents, may be opened, searched or inspected at any time without notice. School personnel have an unrestricted right to search this property as well as any containers, book bags, purses, or articles of clothing that are left unattended on the school campus.

ATTACKS ON SCHOOL PERSONNEL

Upon receipt of a written complaint from any school personnel, the appropriate school administrator for a private school, shall report all incidents of battery committed against teachers, teacher personnel, administrative personnel or educational support personnel to the local law enforcement authorities immediately after the occurrence of the attack. The school administrator also must notify the Illinois State Police (ISP) within 3 days of each incident through the School Incident Reporting System (SIRS).

HARASSMENT

The administration and staff of St. John de la Salle Catholic Academy believe that all students and employees are entitled to work and study in school-related environments that are Christ-centered and free of harassment. The school will treat complaints of harassment seriously and will respond to such complaints in a prompt, confidential, and thorough manner. Harassment of any type will not be tolerated and appropriate disciplinary action will be taken. Disciplinary action may include suspension, expulsion, or termination.

SEXUAL HARASSMENT

Sexual harassment is unacceptable conduct. This includes verbal, physical, or electronic forms (including electronic

devices and content from social media) of sexual harassment. Employees or students who engage in any type of sexual harassment will be subject to appropriate discipline, including suspension, termination or expulsion.

ACCEPTABLE USE POLICY: TECHNOLOGY

St. John de la Salle Catholic Academy provides technology resources to its students and staff for educational and administrative purposes. The goal in providing these resources is to promote education excellence in St. John de la Salle Catholic Academy by facilitating resource sharing, innovation, and communication with the support and supervision of parents, teachers, and support staff. The use of these technology resources is a privilege, not a right. With access to computers and people all over the world comes the potential availability of material that may not be considered to be of educational value in the context of the school setting. St. John de la Salle Catholic Academy firmly believes that the value of information, interaction, and research capabilities available outweighs the possibility that users may obtain material that is not consistent with the educational goals of the school. We have installed filtering software and will supervise during all use. Proper behavior, as it relates to the use of computers, is no different from proper behavior in all other aspects of St. John de la Salle Catholic Academy School activities. All users are expected to use the computers and computer networks in a responsible, ethical and polite manner. School personnel may conduct inspections of these areas and their contents at

any time, with or without the student present in order to fulfill their responsibility of maintaining proper safety, control and management of the school.

PARENTAL COOPERATION

The students' interest in receiving a quality, morally-based education can be served if students, parents, and school personnel work together. Normally, differences between these individuals can be resolved in some rare instances; however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their children.

It shall be the express condition on enrollment that the student behaves in a manner, both on and off campus, in both person and electronically, that is consistent with the Christian principles of the school as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles or procedures set forth in any student/parent handbook of the school.

It shall be the express condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the Christian principles of the school set forth in any student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

Parents/Guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.

Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.

These expectations for students and parents/guardians include, but are not limited to, all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.) and any interactions within or outside the school facility.

The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without warning and/or without an intermediate step short of withdrawal.

CURRICULUM

The Curriculum of St. John de la Salle Catholic Academy is planned as an extension of the philosophy of the school and is posted on the Archdiocese of Chicago website ocs.archchicago.org.

The extension and source of this atmosphere is contained in the spirit of our school. The spirit finds its growth in the religion classes where students learn the plan that God has for them as they live out their lives, search the scriptures to learn how to be Christ-like, and explore the traditions of Catholic Church.

Classroom prayer and school liturgies provide expressions of this learning, and a way to bring these teachings to each other through our actions.

The intellectual growth of the students is fostered by a good sound basic education, strong in language skills and math.

Understanding of and excursions into history, science, and fine arts, provide a base where the students come to a greater realization of who they are. Accepting responsibility for assignments and behavior aids the student in developing skills which provide him/her with the self-discipline necessary to develop into a well-rounded person.

BIRTHDAY CELEBRATIONS

Children's birthdays are important and mark the passage of time in each child's life. We will celebrate students in our own ways at school, but no outside food may be brought into the classroom, due to both Allergies and COVID-19.

NUTRITIONAL INFORMATION

Breakfast / Lunch Information

The Breakfast and Lunch Program is administered by the Food Service Professionals of the Archdiocese of Chicago. The Food Service Professionals operate the largest satellite lunch program in the country. Meals are prepared in a central commissary and are delivered to school each day. All students in grades Preschool through Grade 8 are eligible for free breakfast and lunch.

St. John de la Salle Catholic Academy NUTRITIONAL PHILOSOPHY

The goal of St. John de la Salle Catholic Academy is to develop healthy eating habits among our children.

Research shows that the diet of children in the United States is deficient in basic nutritional value. Our children

consume an abundance of fat, sodium, and sugar. As a result, children are predisposed to high blood pressure, stroke, and obesity, which severely limits their lifestyle and ultimately their life span.

A few years ago, Former First Lady Michelle Obama and Secretary of Agriculture Tom Vilsack unveiled new standards that will result in changes to school meals for children across the nation for the first time in more than fifteen years. The standards are intended to improve the health and nutrition of nearly 32 million children that participate in school meal programs every school day.

For many years FSP (Nutrition Services of the Archdiocese of Chicago) has gone beyond the national standards by providing meals with zero grams of trans fat, locally-grown and organic produce when possible, whole grain products, low-fat milk with no antibiotics or growth hormones, and lean meats. Beginning with the 2012-13 school year, our menus will include an expanded and daily offering of fruits and vegetables, and more whole grain products will be served. Our chefs have designed some new and exciting recipes, while retaining many of your child's favorites in order to enhance your child's dining experience at school.

The health and wellbeing of the children we serve is a top priority. In addition to overall wellness benefits, studies have definitely shown a link between good nutrition and a child's academic performance. Our mission is to provide high quality meals that your children will enjoy, at a reasonable price. This coming year our costs will increase in part due to inflation, but primarily due to the changes in the meal standards. We will firmly believe that school lunch is a very good value for the price especially when considering the nutritional benefit to your children.

NON-CUSTODIAL PARENT RIGHTS

In the absence of a court order to the contrary, St. John de la Salle Catholic Academy will provide the non-custodial parent with access to the academic records and to all other school-related information regarding the child. If there is a court order specifying that no information is to be given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

STUDENT RECORDS

St. John de la Salle Catholic Academy maintains the health and academic records of each child. No records are released without parental permission. Parents (custodial and non-custodial) who wish to review their child's records should make an appointment in the school office. Court orders for records will be honored and parents will be informed of such action.

Parents have the opportunity to meet with the teachers at scheduled conferences during the year. Students' report cards are given out at these conferences. However, all financial accounts must be current or conferences will not be scheduled or report cards distributed.

The funding source of Financial Aid or scholarships is subject to change in the middle of the school year.

BULLYING

All St. John de la Salle students are important to our school community. As a Catholic school, we believe we are all created in God's likeness and uphold the dignity of the human person.. We believe that it is the responsibility of

students, faculty and parents to work toward the eradication of any type of bullying. Parents are urged to work in partnership with the school to encourage positive behavior, valuing differences in gifts, talents, and abilities, and promoting sensitivity toward others. Social Emotional Learning programs and Restorative Justice practices are part of the curriculum to help students build healthy relationships, collaboration and communication skills.

Bullying acts involve repeated harassment of another student. Harassment may be:

Physical which includes, but is not limited to, punching, poking, stalking, destruction of property, strangling, hair pulling, beating, biting, spitting, pinching, and excessive tickling, theft, destruction of property

Verbal which includes, but is not limited to, name-calling, teasing, taunting, gossip, posting and sharing potentially embarrassing or malicious words/photos/videos and threats whether in person, through **any** form of electronic communication or social media, the Internet or written communication

Emotional which includes, but is not limited to, intimidation, rejecting, terrorizing, extorting, defaming, humiliating, blackmailing, rating/ranking of personal characteristics such as race, disability, ethnicity, perceived sexual orientation, manipulation of friendships, isolating, ostracizing and peer pressure

Sexual which includes, but is not limited to many of the emotional acts or conduct described above (in person or through electronic communication or social media) as well as exhibitionism, voyeurism, sexual propositioning, gestures, sexting, sexual harassment and abuse involving actual physical contact or sexual assault.

Teasing may lead to **bullying, but on its own is not necessarily bullying**. Teasing behaviors include hurtful name-calling, ridiculing, exclusion, pressure to engage in undesirable behavior, threatening, gossip, and fighting. Teasing behaviors include repeated harassment that may turn playground squabbles into bully behavior of intentional malicious harassment and physical abuse. Situations can take place at home or at school. Students who are teased themselves may tease others.

Students who are witnesses of bullying or victims of bullying are expected to report the bullying to the teacher. Parents of children who are witnesses of bullying or who feel their child is a victim of bullying should report this to their child's teacher, as well. Parents need evidence and specific information to support their claim. The teacher will determine the validity of this report and bring it to school administration, if valid. The school administration will then investigate the claim and determine the appropriate response depending on whether the allegation is substantiated or unsubstantiated. St. John de la Salle School follows the policy of the Archdiocese of Chicago in addressing and responding to bullying.

The school's goal is to create a positive school climate, to educate students about the harm that results from teasing/bullying behaviors and the significant participative role of by-standers when it takes place. We also teach students the strategies for dealing with such behaviors, engage parents as partners in teaching and modeling respectful behaviors at home, and to promptly punish bullying behavior when it is reported. Our goal is to teach skills for prevention of teasing and bullying as well as to promote self-resilience and coping skills among all students so they know how to deflect harmful teasing.

Bullying is considered to be a major behavior. Any incidents of bullying should result in an office referral form and the student being sent to meet with school administration. Parents of both the bully and the student being bullied must be informed.

All students are taught to report bullying behaviors to a teacher, playground supervisor, principal, or other delegated authority as soon as the incident occurs. All reports of such behaviors, even minor incidents, will be logged and tracked through office referrals. In addition to the bully, the by-standers are *also held responsible*. As a school community, we all are involved. Bystanders may also be held responsible for teasing and bullying behaviors. Parents are also expected to follow the school guidelines for positive behavior and avoid any behavior that could be defined as bullying or harassment. Any parent who displays bullying behavior towards a child, parent, or staff member either directly or indirectly can face consequences, up to and including expulsion from St. John de la Salle.

FIGHTING

In grades 1-8, any student that puts their hands on another student will be sent home, without question. This includes play-fighting, which has no place in the school environment. If the incident happens after 12 p.m. noon, the student will stay home the following day. The parents of both students will be called immediately. Students engaging in fights will be suspended in and/or out of school for 1-3 days depending on severity. Every situation is different and will be handled privately on a case-by-case basis.

COMPUTERS AND INTERNET USAGE

Access to the school devices and the school network is given to students who attend our school, for their responsible use. Often the teachers will guide and direct students to retrieve information from the internet for research. At school, students are only allowed to access sites in order to complete an assignment. Students will have access to

Chromebooks, laptops, and tablets. This property must be used appropriately and safely. Damages that arise from careless use will be paid for by the student (or paid for by the student's parents) who abused the property.

Third through eighth grade students will receive a school email account that will enable them to use Google Apps. This account should only be used for academic purposes. Students should do this only to interact with SJDLs teachers and students. Any inappropriate use of this account could result in loss of their account or additional disciplinary measures. Students should never use their personal email accounts on school devices.

All students, teachers, and staff are required to comply with the policies outlined by the school for the use of computers and tablets within the school and use of the internet in school and in school-related activities. The computer network and internet use policies are outlined in an Acceptable Use Agreement. A copy of this policy and the student-parent agreements will be distributed in Technology Class. All students and their parents are required to sign the agreement and a copy of the agreement is kept on file for the calendar year.

Student websites referencing the name *St. John de la Salle* or any member of the SJDLs community should reflect Christian values. Any derogatory comments or pictures, personal attacks, rude or inflammatory language or postings on the internet (including, but not limited to Facebook, Twitter, etc.) will result in disciplinary consequences. Conduct, whether inside or outside the school, which is detrimental to the reputation of the school, can result in discipline.

Parents/guardians are primarily responsible for the student's appropriate and ethical use of technology *outside of* school. Some inappropriate use of technology outside of school, however, may subject the student to disciplinary action. Action-worthy inappropriate use of technology may include but is not limited to: harassment of others, derogatory use of the school name, remarks directed to or about teachers, staff, and students. It also includes offensive communications including videos/photographs and threats. Students who appear in photos or send messages conducting themselves in rude, vulgar, or inappropriate manner or gestures and are wearing identifiable school uniforms depicting St. John in a negative light, will be subject to serious discipline.
